WATER CYCLE BRACELETS

TO BUILD YOUR BRACELET

MATERIALS:

- One pipe cleaner
- Seven plastic beads, different colors

PROCEDURES:

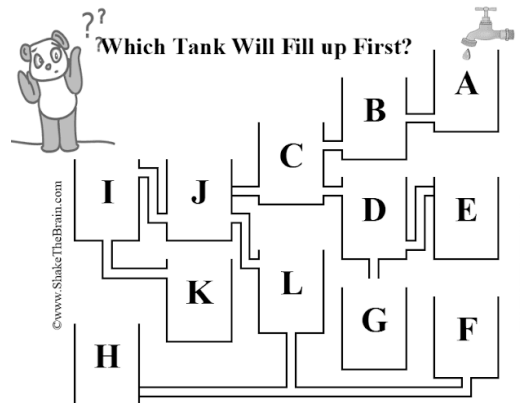

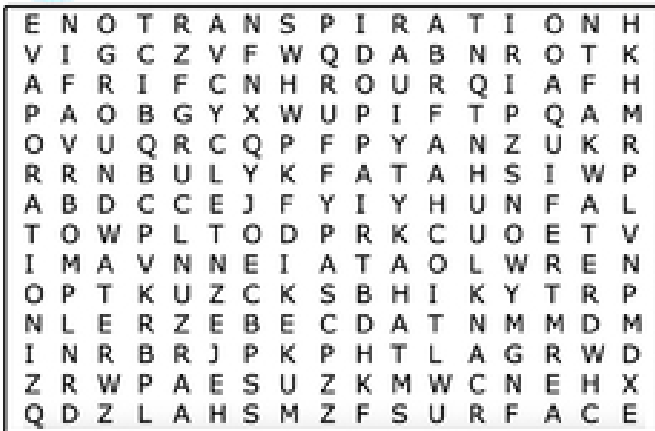

- Thread the color beads on the pipe cleaner in any order you choose.
- Tie the pipe cleaner around your wrist.
- Rotate the beads around your wrist and as you do explain the meaning to your classmates, family and friends.

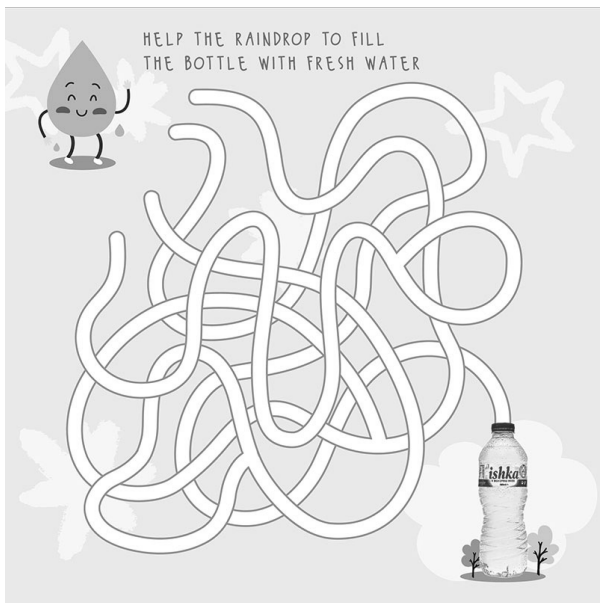

WORD BANK

- Clouds (condensation)
- Water Vapor (storage & runoff)
- Sun (energy source)
- Water in Lakes, Rivers (storage & runoff)
- Soil (storage)
- Rain (precipitation)
- Plants (storage)

THE WATER CYCLE

RIDDLE CORNER:

I am part of the water cycle
 I am the reason puddles disappear
 I am water droplets going back into the air.
 What am I?

I am full of holes
 But I can still hold water.
 What am I?
